**Summer Season**  
302 McGrath Pond Road  
Oakland, ME 04963  
(207) 465-9261

Following the recommendations from the CDC, American Camping Association, YUSA, Association of Camp Nurses, and the State of Maine's COVID19 Preventative Checklist for Overnight Summer Camps, we are operating our New England Sports Camps programs with an abbreviated summer schedule under the following policy changes to ensure the safety of our campers, staff, and community.

With heavy hearts we must postpone Lacrosse, Softball, and the July 1st-3rd Baseball Camp until 2021. If you have registered for one of these programs please contact Welcome Center Coordinator, Alicia Vannah, at [avannah@clubaycc.org](mailto:avannah@clubaycc.org) or (207) 873-0684 to select one of the following options:

1. Donate the paid amount/deposit to the AYCC to support at risk youth
2. Accept a credit on your account to use towards future program fees
3. Request a full refund

The following Camps will be opened as scheduled; Karate\*, July 19-24 Baseball, Premier Baseball, Field Hockey\*, Swim\*, and Football (\*see *Specific Sports Notes at the end of this document*). To safely administer these programs the following policy changes are required.

- **Limited number of people joining and leaving each program:**
  - No day camp option; all campers must spend the night.
  - No visitors after check in and before check out.
  - Essential staff only coming and going from campus, limited as much as possible.
- **Maximum of 11 campers per cabin** as opposed to our normal 20:
  - Program cap of 40 campers per sport.
  - We will do our best to honor parents' bunk mate requests.
- **The State allows the following for our one week sessions:**
  - Limit camper participation to Maine youth
  - Limit staff to Maine residents or out-of-state residents that successfully complete quarantine prior to starting employment.
- **Cabin Groups:** Campers and cabin counselors bunking together will be considered a Cabin Group, will stay together throughout the week, and will not mix with other Cabin Groups.
  - Intra-squad/intra-cabin scrimmages only.
  - Practice and skill session groups will be the same as Cabin Groups.
  - Meals will be staggered by Cabin Group.
  - Campers will participate in traditional camp activities in their Cabin Group.
- **Limited gatherings during Sunday Check In and Friday Check Out:**
  - Assigned check in times on Sunday.
    - You must wait in your car until assigned check in time.
    - Only one adult may accompany the camper throughout the check in process.

- Wait in your car for check out.
  - Staff will walk your child (and belongings) to your car.
  - Sign out your camper at your vehicle.
- Only Staff and Campers are allowed in the cabins.
- **Practicing social distancing and increased attention to good hygiene:**
  - All adults, including staff, must wear masks during check in and check out.
  - All staff must wear masks when physical distancing is not possible during camp.
  - Additional handwashing stations and hand sanitizer dispensers have been installed throughout camp.
  - Campers must shower every day.
  - Campers' bunks will be spaced further apart in cabins.
  - Campers may not share belongings and will be expected to keep belongings within their allocated space.
  - Campers must keep reasonable distance from their bunk mates throughout camp and will be reminded to do so.
- **Monitoring each camper's and staff person's health throughout the week:**
  - Campers and staff must complete a pre-arrival self-screening tool at least 7 days prior to their arrival at camp (due at check in).
  - Screening questions at check in
    - Have you traveled out of state in the last 14 days, arrived from a country with ongoing COVID-19 transmission, or been on a cruise ship or river boat?
    - Do you have a fever, cough or shortness of breath?
    - Have you been in direct contact with anyone diagnosed with COVID-19 or being tested for COVID-19?
  - Temperatures will be taken at check in.
  - Temperatures will be taken every morning and night.
  - If a camper or staff present with a body temperature of 100.4 Fahrenheit or higher, or display any other COVID-19 symptoms as defined by the CDC, our camp medical professional will:
    - Immediately isolate that person from others and screen for symptoms. If symptoms are confirmed, the person will be issued a mask to prevent transmission of droplets and sent home.
- **Increasing frequency of sanitation of equipment and facilities:**
  - Clean and disinfect high touch surfaces daily at minimum.
  - Clean equipment after each Cabin Group use.
  - Meals will be served by staff.

*\*Sport Specific Notes:*

*Karate offered for Somerset and Kennebec County youth at Intermediate through Black Belt levels*

*Swim will be offered as a day program at the AYCC (no travel).*

*Field Hockey coaches will be announced soon.*

Thank you for your patience,

Abbie Charrier  
Camp Director
